Dear Mr. Danino and McDougal,

We are pleased to submit the City of Union City 2023-2031 Housing Element to the California Department of Housing and Community Development (HCD) for certification. The Housing Element is the City's strategy to meet the housing needs of everyone in the community and commitment to meet is fair share of the Regional Housing Needs Allocation (RHNA). It was adopted by the City Council on May 23, 2023. The adopted Housing Element incorporates all revisions made during the State-mandated 60-day review period.
