BECOME A CITY LEADER... OF SUMMER FUN!

Play sports, create art, or be at the pool all day, while serving the community! The Union City Community & Recreation Services (CRS) Department is looking for highly enthusiastic recreation leaders to help operate summer camps, activities, and programs. Visit the Human Resources page at unioncity.org/hr to see all open employment opportunities.

HOMELESSNESS CARE & RESPONSE

The City of Union City continues to deploy a comprehensive and coordinated approach in the hopes of preventing, reducing, and addressing homelessness. This balances compassion and enforcement by dedicating City resources to outreach and field-based services, partnerships with local service providers, affordable housing opportunities, and other strategies to address immediate public health and quality of life issues.

For more information, including available resources to those at-risk or experiencing homelessness, please visit unioncity.org/homelessness.

UCPD’S COMMITMENT TO TRANSPARENCY

The Union City Police Department (UCPD) takes pride in serving the community with a “Service from the Heart” philosophy, which emphasizes care, compassion, and empathy. As part of UCPD's 5-Year Strategic Plan, building trust through transparency, accountability, and relationships are key. This is accomplished by keeping residents informed of upcoming programs, plans, and progress reports on public safety in Union City.

UCPD’s 2022 Annual Report is now available online and provides information on department operations, crime trends, community engagement efforts, and more.

Visit UCPD’s Transparency Portal at unioncity.org/pdtransparency to access the annual report and current data, learn about various policies and procedures, and to see where UCPD stands on important community topics.
The City of Union City is partnering with the cities of Fremont and Newark, the Alameda County Water District, and the Union Sanitary District to develop the Tri-City multi-jurisdictional Local Hazard Mitigation Plan (LHMP). The plan will help reduce long-term risk and loss to people and property in the Tri-City area and will bolster community resilience in the face of future natural disasters. Communities with a FEMA-approved LHMP are eligible for FEMA pre- and post-disaster mitigation grant funding and lower-cost flood insurance for residents through the National Flood Insurance Program's (NFIP) Community Rating System (CRS). Learn more on the development of this plan and how to get involved at unioncity.org/lhmp.

HELP OUR COMMUNITY BE HAZARD-READY

The City of Fremont and Newark, the Alameda County Water District, and the Union Sanitary District, are developing the Tri-City multi-jurisdictional Local Hazard Mitigation Plan (LHMP). The plan will help reduce long-term risk and loss to people and property in the Tri-City area and will bolster community resilience in the face of future natural disasters. Communities with a FEMA-approved LHMP are eligible for FEMA pre- and post-disaster mitigation grant funding and lower-cost flood insurance for residents through the National Flood Insurance Program’s (NFIP) Community Rating System (CRS). Learn more on the development of this plan and how to get involved at unioncity.org/lhmp.

GET INVOLVED!
JOIN A COMMISSION OR COMMITTEE

Want to make a difference in the community? The City of Fremont invites residents interested in serving to apply to one of the City’s many commissions and committees. Applications are accepted on a continuous basis and can be accessed at unioncity.org/commissions or by contacting the City Clerk at cityclerk@unioncity.org.
Did you know – whether it’s a pothole that needs filling, a streetlight to be fixed, or you’d like to request a tree service, you can conveniently submit a service request to the Public Works Department by filling out an online form. Use the form to report or request service for the following:

- Potholes
- Uneven sidewalks
- Traffic signal and streetlight malfunctions
- Unsafe street conditions
- Plugged storm drains
- Graffiti removal
- Street or park maintenance
- Tree trimming, clearing, or removal (in the public right-of-way)
- Illegal dumping cleanup (on City streets only; on private property, please contact neighborhoodpreservation@unioncity.org)

The online form can be found on the Public Works Department main page at unioncity.org/publicworks.
