Ralph & Mary Ruggieri moved to Union City in 1975. Originally from Ohio, Ralph worked in the textile business in the Midwest and moved to California in 1946 where he held jobs in metal furniture making, and real estate. After suffering a heart attack in 1975 which forced him to retire, the Mayor of Union City (Tom Kitayama) asked Ralph to serve on the Alameda County Commission on Aging, which he did for eight years, (five years as chairman). In 1987, Ralph began focusing his attention on advocating for senior programs and a senior center in Union City. Ralph was appointed as the first chairman of the Senior Commission and he went on to create the Union City Seniors Association, a social club advocating for seniors. Ralph was elected president and re-elected for 10 more years. In 1995, (after years of proposals), $3 million dollars was set aside for the building of a dedicated Senior Center, which was later named after Ralph and Mary, who was always at his side. Groundbreaking for the project began on Ralph's 85th birthday in 1996. During the ceremony he was presented with an award by the state of California for 50 years of humanitarian service. Ralph Ruggieri passed away in 1997 with his wife and their children by his side. In death, as in life, Ralph was a shining beacon of hope and an inspiration to everyone who knew him. In November of 1998 the Ralph and Mary Ruggieri Senior Center opened it's doors!

The Ruggieri Center will always be a monument to the indomitable spirit and strength of the Ruggieri family.

IN LOVING MEMORY OF
Judy Cain
1939-2022
Judy was Community & Recreation Services first Department Administrative Assistant, starting in 1974 and retiring in 2000 after 26 years of service. Even after retiring, Judy continued to volunteer, helping our department and centers with many activities and special events until 2020. Judy was the best of us, the soul of our department, and the finest example of a public employee you could ask for. Personally, she was a mother to us all, who was always quick to greet everyone with the warmest smile and a kind word. We miss you Judy!

**FUN CLASSES**

**AGES:** 12+
**LOCATION:** Holly Community Center

Dogs have a fantastic sense of smell and a natural desire to hunt. This class focuses on teaching the sport of K-9 Nose Work and encouraging and developing your dog’s natural scenting abilities by using their desire to hunt and their love of toys and food. It’s an excellent class for your dog to have fun, build confidence, and burn lots of mental energy. K-9 Nose Work is a new urban detection style sport where your dog learns to search for specific odors in various environments. Josette is a NACSW Certified Instructor. She and her Entlebucher, Elsa, qualified to compete in the 2015 National Invitational, competing against 44 other teams. As one of the 15 finalists, they earned 5th place overall and two-second place search awards. There are additional Elite level dogs in Josette’s Nose Work Classes. The City of Union City is well known for its beautiful parks that are enjoyed by many residents and guests. The Community & Recreation Services Department, along with the Public Works Department, have developed a new Memorial Bench program for residents.

Memorial benches are a beautiful way to acknowledge and celebrate the life and legacy of a departed loved one, or to honor those who have made an impact in the community.

Family and friends can donate an attractive memorial bench with a personalized engraved plaque at one of the City’s many parks. Not all parks have space available, but staff will do their best to accommodate location requests. The donation covers the purchase and installation of the bench, as well as the personalized plaque engraving and site preparation. Donations typically start at $2000 per bench.

For more information, or to request a Memorial Bench Application, email RuggieriSeniorCenter@unioncity.org or call 510.675.5495

PWR! Moves
Monday & Wednesday • 11:15-12:15PM
INSTRUCTOR: Carmen
This program created by Dr. Farley, a physical therapist, aims to maintain and restore skills that deteriorate and interfere with everyday movements. The 4 main movements of this program can be adapted and progressed into multiple postures (floor, all 4’s, sitting, and standing). Research has demonstrated that the movements in this program as well as the manner in which they are performed can translate into everyday activities, essentially improving overall quality of life. This class will help train those affected with PD to get better with exercise. This class takes place both virtually and in-person. The participant has the option to participate virtually via the Zoom platform, or come to the Mark Green Sports Center to exercise in-person.

Rock Steady Boxing
Tuesday & Thursday  •  1:30-2:45PM

Fight back against the symptoms associated with Parkinson’s by training like a fighter. By nature, boxing is a workout that demands the body to move in all planes of motion and challenges the mind and body to adapt to every stimulus. In this boxing class you will be able to build strength, power, speed, and endurance, all of which improve quality of life outside of the gym. This is an in-person class.

PD Class Membership

Do you know anyone with Parkinson’s disease?
We offer Parkinson’s specific classes at the Mark Green Sports Center. These classes address the different needs of someone with PD and can help improve symptoms, quality of life, and movement. We also offer support groups and caregiver/partner support groups.

The Mark Green Sports Center began offering these programs in 2016 with the support of a Parkinson’s Foundation Community Grant Award. Since then the Parkinson’s Foundation has continuously supported this program in so many ways. We are proud to continue the fight against Parkinson’s through exercise and movement.

Participants have the option to register for an individual month long class, or a monthly membership option that provides access to all class offerings (16-20 classes per month). Please see a detailed description of our current offerings below.

MARTIAL ARTS

Pallen’s Martial Arts
INSTRUCTOR: Jordan Pallen & Staff

Our mission is to help families build good humans

We constantly enhance our unique method of teaching martial arts with exciting games and themed based classes without ever compromising the integrity and tradition of martial arts. We focus on developing the fundamental character-building traits that are needed in today's society; respect, confidence, discipline, and focus. We prize honor, courage, discipline, respect, and integrity.

We value more from our students and challenge them to reach for higher standards. "More" is exactly what they deliver—kinder, stronger, more responsible character traits emerge from students who are members of the Pallen's tribe. Pallen students have a reputation for overcoming challenges on the mat and at home, and for building thriving friendships built on integrity, trust, and respect. Our legacy is built on the principle that a student who embodies these character traits flourishes, and that a community that strives together, thrives together.
