5.55.030 Notice of Availability of Rent Review.

A. Notice of Availability of Rent Review Required. In addition to the notice of a rent increase required by Civil Code Section 827(b), and at the time when a landlord provides notice of any rent increase, the landlord shall also provide notice of the availability of the rent review procedure established by this chapter. The notice of availability of rent review required by Section 5.55.030(C) shall be provided by the landlord at the time when a landlord provides notice of any rent increase in the three predominant languages spoken in the City. The City Manager or his or her designee shall determine the predominant languages spoken in the City and shall ensure that copies of the notice of availability of rent review required by Section 5.55.030(C) are made available to landlords by the City in those three languages. Any rent increase accomplished in violation of this chapter shall be void, and no landlord may take any action to enforce such an invalid rent increase. Any rent increase in violation of this chapter shall operate as a complete defense to an unlawful detainer action based on failure to pay any illegal rent increase. Any tenant required to pay an illegal rent increase may recover all illegal rent increase amounts actually paid by the tenant. If a landlord fails to properly notice a tenant pursuant to this chapter, the landlord must re-notice the tenant in accordance with this section prior to demanding or accepting any increase in rent.

B. Contents of Notice. All notices of the availability of rent review shall be in writing, shall provide the name, address and phone number of the landlord and shall be personally delivered to the tenant or mailed to the tenant at the address of the tenant's residential property. Service by mail shall be presumed complete within five (5) calendar days of mailing. This presumption may be rebutted by the tenant.

C. Text of Notice. In addition to all other information provided in the notice of the availability of rent review required by this chapter, each such notice shall substantively state:

NOTICE: Under Civil Code Section 827(b) a landlord must provide a tenant with thirty (30) days' notice prior to a rent increase of ten percent (10%) or less and sixty (60) days' notice of a rent increase of greater than ten percent (10%). Under Chapter 5.55 of the Union City Municipal Code, a landlord must, at the same time as a notice of a rent increase, provide this notice of the City's rent review procedure, before demanding or accepting any increase in rent. You are encouraged to contact the owner or manager of your rental unit to discuss the rent increase. However, if you have received notice of a rent increase that: 1) will increase your rent more than 7% above the base rent you paid last month; or 2) follows one or more prior rent increases within the past year where the combined rent increases are more than 7% than the base rent paid prior to the first rent increase over the past year, you may request rent review, which includes conciliation and mediation, of your rent increase. Such a request must be submitted in writing within fifteen (15) calendar days of your receiving notice of the rent increase or post marked within 15 calendar days of receipt if mailed. You must submit a copy of the notice of rent increase at the same time you submit the rent review request. For more information regarding the rent review procedure, please visit [www.unioncity.org/rent-requirements](http://www.unioncity.org/rent-requirements). To request review of your rent increase, please contact the Economic and Community Development Department of the City of Union City, 34009 Alvarado-Niles Road, Union City, California

94587. Under Civil Code Section 1942.5, it is illegal for a landlord to retaliate against a tenant for lawfully and peaceably exercising his or her legal rights.

5.55.040 Rent Review.

A. Request for Rent Review. A tenant may seek rent review when the proposed rent increase: 1) raises the rent to an amount more than 7% than the base rent; or 2) follows a prior rent increase or rent increases imposed within the previous twelve-month period where the combined rent increases are more than 7% than the base rent paid prior to the first rent increase of the twelve-month period. The tenant seeking rent review must submit the request in writing to the Director and the request must be received by the Director, or post marked (if submitted by mail), within fifteen (15) calendar days of the tenant's receipt of the notice of rent increase. The request must include a copy of the landlord's notice of rent increase.

B. Conciliation and Mediation. The rent review shall consist of conciliation pursuant to Section 5.55.040(D) and, if required, mediation pursuant to 5.55.040(E). After determining that a proposed rent increase meets the criteria for initiation of rent review set forth in Section 5.55.040(A) above, the Director shall attempt to contact the landlord to initiate conciliation procedures pursuant to Section 5.55.040(D)(1) below within three (3) business days.

C. Impact on Rent Increase. A request for rent review shall not delay the effective date of a rent increase. If appropriate, the parties may enter into a mutual private agreement to delay the effective date of a rent increase or reach any other agreement to effectively reimburse rent increases paid by the tenant.

D. Conciliation.

1. Duration of Conciliation. After the Director contacts the landlord pursuant to Section 5.55.040(B), the Director shall provide the landlord with a copy of the tenant's rent review request form and the landlord shall respond to acknowledge the rent review request either orally or in writing within ten (10) business days. Failure of the landlord to respond to the Director within ten (10) business days, absent a finding of good cause by the Director, shall void the rent increase. Good cause for failure to respond shall include, but not be limited to, illness, unanticipated absence from the office, emergency situations, and other similar circumstances. The Director shall attempt conciliation, which may include peer-to-peer counseling, of the rent increase for a period not to exceed ten (10) business days following acknowledgement of the rent review request by the landlord.

2. Participation. The landlord and tenant shall participate in conciliation and shall provide relevant information, exchange proposals, reasonably consider proposals by opposite parties and engage in discussion(s) regarding the rent increase and issues related to the rent increase. One or more tenants affected by a common rent increase may simultaneously participate in the same conciliation proceeding with consent of the landlord.

3. Failure to Participate. Failure of the tenant to participate in conciliation of the rent increase at issue shall bar the tenant from seeking mediation pursuant to Section 5.55.040(E) and shall bar the tenant from seeking any further remedies under this Chapter for such rent increase. Failure of the landlord to participate in conciliation shall void the rent increase.

4. Agreement During Conciliation. If the parties agree to a resolution during conciliation, they may formalize the agreement in a standard form signed by both parties. The City shall not be a party to such an agreement, nor shall the City assume any responsibility for enforcement of its terms.

5. Failure to Resolve. If the parties do not resolve the rent dispute during conciliation, the Director shall inform the parties that the conciliation process is concluded and the tenant shall be entitled to seek mediation, pursuant to Section 5.55.040(E), within five (5) business days. Failure of the tenant to seek mediation shall bar the tenant from pursuing any further remedies under this Chapter for the rent increase at issue.

E. Mediation.

1. Notice and Date. Upon request for mediation, the mediation shall be scheduled and held before the rent review officer within sixty (60) calendar days of the Director's receipt of the rent review request, or as soon thereafter as the mediation may be scheduled. The City Manager shall establish a specified date and time each month for mediations to be held. The City Manager may schedule a special mediation date and time in addition to the established mediation date and time, if the City Manager determines, in his or her discretion, that a special mediation is appropriate for a particular rent review. The Director shall provide the landlord and the tenant notice of the mediation date and location at least ten (10) calendar days prior to the mediation.

2. Factors. The rent review officer will afford the landlord and the tenant an opportunity to explain their respective positions at the mediation of a rent dispute. After hearing from both parties, and taking into consideration such factors as the hardship to the tenant, the frequency and amount of prior rent increases, the landlord's mortgage payments and other costs associated with owning and maintaining the property, the landlord's interest in earning a reasonable rate of return, and any other factors that may assist the rent review officer in determining a fair resolution to the dispute, the rent review officer will make a recommendation to the parties for the resolution of their dispute. One or more tenants affected by a common rent increase may elect to simultaneously participate in the same mediation proceeding with consent of the landlord.

3. Agreement. If the parties agree to a resolution proposed by the rent review officer they may formalize the agreement in a standard form signed by both parties. Neither the City nor the rent review officer shall be a party to such an agreement, nor shall the City or rent review officer assume any responsibility for enforcement of its terms.

4. Failure to Appear. If the tenant requesting rent review appears at a mediation, but the landlord who has been given notice of the mediation as required by Section 5.55.040(E)(1) fails to appear before the rent review officer without good cause, the rent increase shall be void, and the landlord may not take any action to enforce such an invalid rent increase. If a tenant who has been given proper notice of rent review as required by Section 5.55.040(E)(1) fails to appear for the mediation without good cause, or if both the tenant and landlord fail to appear without good cause, the rent review officer shall dismiss the case and the tenant will be barred from subsequently challenging such increase pursuant to this chapter. Good cause for failure to appear shall include, but not be limited to, illness, death, vehicle malfunction, and other similar circumstances. If either party fails to appear for good cause, the mediation shall be rescheduled as soon as reasonably possible.

F. Retaliatory Eviction. Commencement of eviction proceedings against a tenant for exercising his or her rights under this chapter shall be considered a retaliatory eviction. Under Civil Code Section 1942.5, it is illegal for a landlord to retaliate against a tenant for lawfully and peaceably exercising his or her legal rights.

5.50.050 Miscellaneous.

A. Annual Review. The Director shall annually prepare a report to the Council assessing the effectiveness of the rent review program established under this chapter and recommending changes as may be appropriate.

B. Property Registration and Fees.

1. A landlord shall register each residential property within the City. The registration shall be on forms provided by the City and shall include the name and mailing address of the owner or owners of the residential property as well as any other information deemed necessary by the City.

2. For the sole purpose of reimbursing the City for the reasonable costs of implementing this chapter, including costs associated with conciliation and mediation, the landlord of each residential shall pay a fee in an amount to be set by the City for each residential property.

C. Operative Date. This chapter shall be operative on October 2, 2017.
