TIME: Sunday, July 14, 2019 • Check-in 8:00 am • Event start 9:00 am

Challenge yourself like never before in the Mark Green Sports Center TRYathlon. As the name suggests, this event will highlight competition and will be a great experience for the beginner triathlete. This event will be comprised of a 15-minute swim, 15-minute bike ride, and a 15-minute run. Athletes of all fitness levels are welcome to enter this event. Mark your calendars and start training today! Space is limited! For more information please call Robert Magbanua at (510) 675-5600.

THE RACE:
At your designated start time, you will begin a 15-minute swim in our outdoor heated pool located at the Dan Oden Swim Complex. The next leg of the event will be spent on spin bikes which will be set up outside of the Dan Oden Swim Complex. Lastly, you finish the race with a 15-minute run around the complex.

TRANSITIONS:
You will be allowed 15 minutes to transition from the swim event to the spin bikes and another 5 minutes to change from spin bikes to the run.

Scores from all three legs will be aggregated and posted up for people to see the following day on the Sports Center Facebook and Instagram pages with bib numbers in place of names.

PRE-REQUISITE:
Participants must be comfortable in the water and be able to swim at least 8 feet. Youth athletes must be at least 4’11” (4 feet, 11 inches) tall for spin bike use.

Support Our Kids (S.O.K.) Scholarship Program
In Union City, we believe all of the youth in our community should have the opportunity to experience our recreational programs. The S.O.K. Scholarship Program offers several special scholarships for Union City youth up to 18 years old who want to experience a program but have financial hardship. Scholarships provide 50–75% of the registration fee (up to $200) and are limited to one program per youth, per year as long as funds are available and families meet the financial qualifications. For more information and a scholarship application, please call the Holly Community Center at 510.675.5488 or the Kennedy Youth Center at 510.675.5329.

We also encourage members of our community to help support the S.O.K. Scholarship Program by making contributions with their registrations. Donations can be added on the registration form. Every dollar counts and is deeply appreciated.

The World’s Largest Swimming Lesson
DATE: Thursday, June 20th, 2019
LOCATION: Dan Oden Swim Complex
AGES: 5–17

UC Community & Recreation Services wants every child to learn to swim! Teaching children how to be safe around water is not a luxury; it is a necessity. Learning how to swim will teach children basic essential water safety skills, which can open up a world of possibilities.

To kick off the summer season, we are participating in the World’s Largest Swimming Lesson on Thursday, June 20 at the Dan Oden Swim Complex. This free event is designed to build local awareness about the vital importance of teaching children to swim to help prevent drowning.

The CRS Aquatics program offers the following beginning swimming classes this summer: Tiny Tots (ages 3-5), Beginner Level 1 (ages 6-12) and a NEW Beginning Swimming for ages 13-17.

We want to encourage all Union City youth to learn to swim without lack of resources getting in the way, so we are announcing a Teach a Child To Swim This Summer scholarship program. We are asking the community to help sponsor a child for a free session of swimming lessons this summer. The cost to sponsor 1 child for 1 session of beginning swimming lessons is $40. Your sponsorship could help save a child from drowning and teach him or her a skill that will follow them throughout their life. Sponsorships can be made online or through any community center through the SOK Fund – just add a note that you want to teach a child to swim.

Providing kids and parents exposure to life-saving water safety skills helps build awareness about the vital importance of teaching children to swim to prevent drowning.

This FREE event is for first time swimmers only!

UC Aquatics Mission Statement
Union City Aquatics makes every effort to run an inclusive, safe, and enjoyable swimming program for the community. Our programs teach swimming and water safety skills for people of all ages, abilities, and interests to promote and enhance skills in the water as well as improve quality of life through wellness, fitness, unity, and fun.

About the Union City Swim Program
Union City Aquatics programs are based on the American Red Cross Learn-to-Swim program that features six levels of swimming instruction to help swimmers of all ages and abilities develop their swimming and water safety skills. It is designed to give students a positive learning experience as they progress through all six levels, and to help ensure they truly can be safe around the water and proficient in swimming skills. Union City also hosts two aquatics sports teams: SoAC Water Polo Club and Treeview Dragonfish Swim Team. No Experience necessary. Students will be tested on the first day and put in the correct level according to their skills and experience. In the summer months, the program offers Aquatics camps such as Swim and Tennis Camp and Jr. Lifeguards. Recreational and Lap swim is also offered in the spring and summer months and is open for the community.

General Information
Union City Aquatics is a seasonal program that operates out of the James Logan High School Dan Oden Swim Complex which includes an OUTDOOR, HEATED pool. Registration is taken on a first-come, first-served basis. In fairness to all, spaces cannot be held without the full payment. It is mandatory that you wear a swim suit in the pool. We recommend that you bring a towel to dry off and children wear a rash guard during colder weather. Flotation devices and life jackets are not allowed in the pool during swim lessons and crowded rec swim days.

Transfers and Cancellations
Transfers between classes may only be allowed if there is room in the class and is approved by the Pool Manager on duty in regards to participant’s swim level. If you have registered for multiple sessions and your student advances his or her level, there is no transfer fee. It is important to check in with the office staff or Pool Manager to transfer them to the appropriate level.

Please plan vacations, events, and other activities so that you or your child can participate fully in the Aquatics program. Once you or your child is registered, cancellations and transfers due to your personal scheduling conflicts cannot be accommodated.

No Make-Up Classes
Swim lessons are taught in groups. Final placement of participants will be determined by pool managers. It is essential that you attend each lesson to receive the full benefit of the class, so please plan your schedule carefully. Sorry, there are no make-up lessons for missed classes.

Helpful Info for Making the Most of Your Swim Lessons
• Bring your receipt on the first day.
• Apply sunscreen at least 15 minutes before arriving.
• Please bring a swim suit, towel, and warm clothing.

BEFORE SWIM LESSONS
• If possible, please do not feed your child a large meal right before their lesson. When a child vomits or has an accident in the pool, we must shut down the pool, so please be proactive in helping us minimize this possibility.
• Please have your child use the bathroom before their lesson.
• Have your child shower before entering the pool.

DURING THE LESSON
• It is exciting to watch your child learn how to swim, but please allow them space to learn by staying behind the line and allowing the teacher to provide the lesson and not offering feedback during the class.
• If you have questions about your child’s lesson, please wait until after the class or find a Senior Guard or Pool Manager on deck to help you.

AFTER THE LESSON
• Don’t worry if your child does not advance a level after a session or two. Each child makes progress at his or her own pace. With consistent practice, they will build skills and confidence.
• It is important not to pressure them too much; this can take the fun out of swimming and discourage them from learning.
• It is okay to talk to the instructor between classes, but keep in mind the break is only five minutes. Please take any concerns about your child’s lesson to any of the deck managers on duty when possible.

MOST IMPORTANTLY, HAVE FUN SPLASHING AROUND AT THE POOL!

The World's Largest Swimming Lesson

DATE: Thursday, June 20th, 2019
LOCATION: Dan Oden Swim Complex

AGES: 5–17

UC Community & Recreation Services wants every child to learn to swim! Teaching children how to be safe around water is not a luxury; it is a necessity. Learning how to swim will teach children basic essential water safety skills, which can open up a world of possibilities.

To kick off the summer season, we are participating in the World’s Largest Swimming Lesson on Thursday, June 20 at the Dan Oden Swim Complex. This free event is designed to build local awareness about the vital importance of teaching kids to swim to help prevent drowning.

Providing kids and parents exposure to life-saving water safety skills, helps build awareness about the vital importance of teaching children to swim to prevent drowning.

This FREE event is for first time swimmers only!
Swim Lesson Times
10:15–10:45 am (10:00 am check-in time)
11:15–11:45 am (11:00 am check-in time)
4:15–4:45 pm (4:00 pm check-in time)

The CRS Aquatics program offers the following beginning swimming classes this summer: Tiny Tots (ages 3-5), Beginner Level 1 (ages 6-12) and a NEW Beginning Swimming for ages 13-17.

We want to encourage all Union City youth to learn to swim without lack of resources getting in the way, so we are announcing a Teach a Child To Swim This Summer scholarship program. We are asking the community to help sponsor a child for a free session of swimming lessons this summer.

The cost to sponsor 1 child for 1 session of beginning swimming lessons is $40. Your sponsorship could help save a child from drowning and teach him or her a skill that will follow them throughout their life. Sponsorships can be made online or through any community center through the SOK Fund – just add a note that you want to teach a child to swim.

PWR! Moves
PWR! Moves is a class and exercise program created by a neuro-physical therapist, Dr. Becky Farley at the University of Arizona. This class aims to maintain and restore skills that deteriorate and interfere with everyday movements. The 4 main movements of this program can be adapted and progressed into multiple postures (floor, all 4’s, sitting, and standing). Research has demonstrated that the movements in this program as well as the manner in which they are performed can translate into everyday activities, essentially improving overall quality of life. Remember that what you do and how you do it matters. This class will help train those affected with PD to get better with exercise.

Family and friends can donate an attractive memorial bench with a personalized engraved plaque at one of the City’s many parks.
