

Update regarding COVID-19 Shelter in Place Order and Union City Community & Recreation March 25, 2020

As we enter into the second week of Shelter in Place, fresh air and exercise are more important than ever for raising both our spirits and our heart rates.

Please remember, while our City Parks are still open for enjoyment (with social distancing), all playgrounds, outdoor courts, and sports fields are closed until further notice. This includes skate parks, dog parks, and tennis courts. We kindly ask you to honor the "No Entry" signs, gates, and locks that are posted in these areas, as they are meant to keep Union City residents safe and virus-free.

If you are heading out to City Parks, we encourage you to follow these tips:

- Take short walks close to home and limit your time spent at parks.
- Practice social distancing and avoid contact sports.
- Public parks should be used for walking, running, or exercising by oneself.
- Do not use benches, picnic tables, and other outdoor surfaces; they are not sanitized.
- Consider bringing your own drinking water, soap, or hand sanitizer.

For more information about City closures and modification to City Services during the Shelter in Place, visit www.unioncity.org or check us out on our social media pages (Instagram & Facebook @unioncitycrs @unioncityca_gov).
