

April 2, 2020

Attention Participants and Families;

Due to the Alameda County's extension of the stay-at-home order to May 3, 2020, UC Community & Recreation Services (CRS) has decided to cancel all activities and classes for the spring session. Should the community centers be re-opened to the public by early May, some mini programs or activities may be added. Check online www.unioncity.org/reg for updates.

All who have registered for spring activities and classes will receive an emailed notification confirming cancellation of courses with a receipt showing a credit to their UC CRS Rec1 account. The credits can be applied to future use. For those who wish to request a refund, contact the community center offices included on the receipt.

We are very optimistic that the Summer Session will be starting on time in early June. The Summer Activity Guide will be viewable online and resident registration will **begin starting Monday, April 13.**

In the meantime, CRS has created a new Virtual Community Center at <https://www.unioncity.org/473/Virtual-Community-Center>. Please stop by for visit and stay in touch while our centers are closed.

If you have any questions about the City's response to COVID-19 or are seeking resources, please visit www.unioncity.org/coronavirus. If you are a Comcast subscriber, turn on UCTV Local Channel 15. You can follow us as well on our social media pages, Facebook & Instagram (@unioncityca_gov, @unioncitycrs, and @markgreensportscenter).

We hope that all of you are keeping healthy (both physically and mentally) and we thank you for staying home during this time.

Corina Hahn
Recreation Manager
Union City Community & Recreation Services
