

## FALL RECREATIONAL ACTIVITIES

July 15, 2020

Dear Families -

As we wait to see what the new school year will look like, Union City Community & Recreation Services (CRS) is working on adapting its youth programs to best meet the needs of our community and follow county guidelines. We particularly want to provide support for working parents and offer activities for our children's social, emotional and physical well-being.

Some of the options CRS is considering this fall are:

- Childcare for school age children who are participating in distance learning (full or part-time).
- Afterschool childcare that will correspond with NHUSD hybrid school schedules.
- Mini day camps on non-school days.
- Youth and teen enrichment classes, clinics and workshops that offer arts, dance, drama, fitness, sports, tutoring and technology.

All programs and activities will be very limited in size and will follow Alameda County guidelines. This includes daily health check-ins and the expectation that all participants will limit themselves to only 1 extracurricular activity group.

If you are interested in being sent more information or wish to be added to the fall interest list, please go to [www.unioncity.org/reg](http://www.unioncity.org/reg) and register your children on the Fall Youth Programs Interest List, [activity code # FA20YP-100](#). Families on the interest list will receive Fall Youth Program information via email or text and have first priority to register once the NHUSD fall schedule has been finalized.

Thank you!  
Union City Community & Recreation Services
