Support Our Kids (S.O.K.) Scholarship Program

In Union City, we believe all of the youth in our community should have the opportunity to experience our recreational programs. The S.O.K. Scholarship Program offers several special scholarships for Union City youth up to 18 years old who want to experience a program but have financial hardship. Scholarships provide 50–75% of the registration fee (up to $200) and are limited to one program per youth, per year as long as funds are available and families meet the financial qualifications. For more information and a scholarship application, please call the Holly Community Center at 510.675.5488 or the Kennedy Youth Center at 510.675.5329.

We also encourage members of our community to help support the S.O.K. Scholarship Program by making contributions with their registrations. Donations can be added on the registration form. Every dollar counts and is deeply appreciated.

Kinder Daze with DISTANCE LEARNING

Grades: Kinder
Locations: Holly Community Center
Monday– Friday, 7:30 am– 5:30 pm

Please Note: This program is for children that would have been attending Kindergarten for the 2020 / 2021 school year.

In response to the extended Covid-19 shelter in place orders, and NHUSD’s announcement that all students will be distance learning until further notice, Union City Community and Recreation Services is offering a brand new program to accommodate the families in our community and their need for child care during these difficult times.

Kinder Daze with DISTANCE LEARNING is a new full day child-care program for children ages 5 - 6 years of age that would have been attending Kindergarten for the 2020 / 2021 school year.

Children will work independently on their school work with their NHUSD teacher during designated times. Each child will need to come to class with the following items: a laptop/tablet, POWER CORDS / CHARGERS, and headphones. Kinder Daze provides a structured environment for participants to log in, complete their assignments, and provide enrichment activities and outdoor play each day. Union City Community & Recreation Services will not be responsible for damage or theft of any personal items, including laptops/tablets, hotspots, cords/chargers. Kinder Daze staff will not be replacing the role of the parent or teacher during this time. Our staff will be assuming a support role only. Kinder Daze staff will assist with set up, log in, and help keep the children focused on their lessons. Children should bring homework packets and or assignments to class.

Your child will also enjoy a variety of enrichment activities that include arts & crafts, table games/activities, outdoor play, music & movement and cooking projects. These activities will also support your child’s social skills and emotional development. All children must be potty trained. All children must bring their own lunch (in a paper bag) and snacks for each day.

If you have any questions, please email: Marissav@unioncity.org or RebeccaR@unioncity.org

**UC Aquatics Mission Statement**

Union City Aquatics makes every effort to run an inclusive, safe, and enjoyable swimming program for the community. Our programs teach swimming and water safety skills for people of all ages, abilities, and interests to promote and enhance skills in the water as well as improve quality of life through wellness, fitness, unity, and fun.

**About the Union City Swim Program**

Union City Aquatics programs are based on the American Red Cross Learn-to-Swim program that features six levels of swimming instruction to help swimmers of all ages and abilities develop their swimming and water safety skills. It is designed to give students a positive learning experience as they progress through all six levels, and to help ensure they truly can be safe around the water and proficient in swimming skills. Students will be tested on the first day and put in the correct level according to their skills and experience. In the summer months, the program offers Aquatics camps such as Swim and Tennis Camp and Jr. Lifeguards. Recreational and Lap swim is also offered in the spring and summer months and is open for the community.

**General Information**

Union City Aquatics is a seasonal program that operates out of the James Logan High School Dan Oden Swim Complex which includes an OUTDOOR, HEATED pool. Registration is taken on a first-come, first-served basis. In fairness to all, spaces cannot be held without the full payment. It is mandatory that you wear a swim suit in the pool. We recommend that you bring a towel to dry off and children wear a rash guard during colder weather. Flotation devices and life jackets are not allowed in the pool during swim lessons and crowded rec swim days.

**MEET OUR UNION CITY TENNIS COACHES!**

**Coach K**
Karen "Coach K" Mendoza has been a Union City resident for over 30 years. She is a PTR-certified instructor & has worked at several Bay Area tennis programs over the past decade and a half. In high school, she played varsity doubles for the James Logan Girls tennis team. Today, she enjoys teaching younger players to develop a love for the game of tennis.

**Coach Anna**
Hi! Before I became staff, I was a part of camp back in Summer of 2017. I started playing tennis when I was about 4 years old. Just like our athletes, my skills developed through camps and lessons when I was younger, as well as coaching from my dad. When high school season started, my love for tennis widened as well as my skills.

**Coach Alex**
For the past two years, coach Alex has been a tennis camp counselor and tennis instructor for Union City. He established the basic fundamentals of tennis while attending Union City summer tennis camps. In high school, he began to play tennis seriously and is now a member of the James Logan varsity tennis team.

Food Delivery for Seniors. Governor Newsom announced the launch of a first-in-the-nation program. A meal delivery service for seniors. This program helps seniors and other adults at high risk from COVID-19 to stay at home and stay healthy by delivery service for California's older adults. Memorial Bench Program
The City of Union City is well known for its beautiful parks that are enjoyed by many residents and guests. The Community & Recreation Services Department, along with the Public Works Department, have developed a new Memorial Bench program for residents. Memorial benches are a beautiful way to acknowledge and celebrate the life and legacy of a departed loved one, or to honor those who have made an impact in the community.

Family and friends can donate an attractive memorial bench with a personalized engraved plaque at one of the City’s many parks. Not all parks have space available, but staff will do their best to accommodate location requests. The donation covers the purchase and installation of the bench, as well as the personalized plaque engraving and site preparation.

For more information or to request a Memorial Bench Application, please email chahn@unioncity.org or call 510.675.5495

• Please encourage your child to use the restroom before class begins. Instructors can’t leave the classroom to escort a child to the restroom.
• Instructors have the option of allowing parents to remain in the classroom or to ask them to leave while class is in session.
• For Park and Facility rentals you must live, own a business, or pay Union City property taxes in order to receive the resident rate. Proof is required. Nonresidents are charged an additional fee.
