

I am proud to call Union City my home for the last 35 years. My 3 children graduated from the New Haven Unified School District. I served as a school Site Chair and volunteer for over 10 years. For the last 31 years, I have owned and operated a globally recognized business in Union City. I am a recipient of the Union City Community Spirit award for Business. My business skills will be beneficial to serving on the council. I served 8 years as a Human Relations Commissioner, 4 of those years as chairperson. I chaired National Night Out and our Public Safety Appreciation Day. My goals are straightforward – protect our quality of life and support our business sector to fully ensure our future stability. I understand the need to be creative and flexible and listen to our community as we adapt to our current challenging times. We need a council that works together in a respectful and collaborative manner with a common sense approach. I am ready to tackle the issues that we will face over the next 4 years. I remain devoted to our City and would be honored to serve you. I humbly ask for your vote.
