

LEGO Engineering Has Gone VIRTUAL at Union City Community & Recreation Services

Play-Well@Home: STEM FUNDamentals using LEGO®

Play-Well classes are going virtual! Tap into your imagination from the comfort of your own home with the guidance of an experienced Play-Well instructor and simple pieces from your own LEGO® collection - all while connecting virtually with your friends and classmates! Students will explore their creative boundaries, learn new building techniques, and connect their projects to practical real-world STEM concepts, all with a focus on open-ended builds that do not require special LEGO® pieces.

Mondays, September 28 - November 16, 3-3:45pm, Ages 6-12, \$120 per participant (no materials sent)

Play-Well Online with LEGO® Materials: STEM FUNDamentals

Take your creativity to the next level as Play-Well classes go virtual! Build engineer-designed projects and learn new building techniques over Zoom with the guidance of an experienced Play-Well instructor. Encounter practical real-world STEM concepts while learning from and connecting virtually with other young engineers. LEGO® materials will be mailed to you.

Mondays, October 19- November 9, 2:30-3:30pm, Ages 6-12, \$145 per participant (includes materials fee)
