Engineering with LEGO® Summer Camps at Union City Community & Recreation Services

Kids are already naturally gifted creators. Then they get added inspiration from our specially trained instructors. They dive into our massive collections of LEGO®, and while they build elaborate objects, structures and vehicles, they explore fundamental principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting.

**June 7 - 11**
STEM + Minecraft Engineering
Ages 5-10
FULL DAY: 9 am - 4 pm
Activity Code: SU21SI-101

**July 6 - 9 (No class 7/5)**
Jedi Engineering, Ages 5-9
9 am - 12 pm
Activity Code: SU21SI-502
Super Hero Master Engineering, Ages 6-12
1 - 4 pm
Activity Code: SU21SI-503
