**FTA DBE Goal  
April 19, 2011**

The City of Union City has established a Disadvantaged Business Enterprise (DBE) program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. The City of Union City has received Federal financial assistance from the Department of Transportation, and as a condition of receiving this assistance, the City of Union City has signed an assurance that it will comply with 49 CFR Part 26.

The City has signed an agreement with Caltrans for implementation of the State DOT DBE program for Federal Highway (FHWA) funds. The City has adopted a separate DBE program for DOT grants administered by FTA.

The City's DBE goal for FTA funded projects for the period FY10/11 through FY12/13 is **5.9%**, of which we estimate that **3.2%** will be through race-conscious and **2.7%** through race-neutral means.

The proposed goal and its rationale will be available for inspection during normal business hours at the City Public Works office through Thursday, May 19, 2011. Comments on the goal will be accepted until 5:00 p.m. on Friday, June 3, 2011.
