

**UNION CITY YOUTH COMMISSION
MAKE A DIFFERENCE!**

The Union City Youth Commission is responsible for representing the youth and teens of Union City and speaking out on their behalf. The Commission works very closely with Union City Community and Recreation Services staff and communicates the needs, interests and concerns of their peers to City Council and other Commissions. One of the responsibilities of this commission is to advise staff in developing recreational activities and programs for youth and teens. If you are interested in getting involved with your community, learning about City government, doing community service and having some fun, then you are encouraged to fill out this application.
