

Ballot Designation: Technology Manager

Integrity and goodwill are forces that drive me. I owe a lot to Union City and I want to give back to this great community and maintain a high quality of life for our residents.

As President of my homeowner's association of 353 homes, I concentrate on quality-of-life issues including public safety and city services.

I am Vice Chair of the Planning Commission and past co-chair of the Economic Development Advisory Team, helping formulate a bright future and healthy economy for Union City. A key organizer for the Asian American Heritage Festival and the "Sister Cities Festival", I celebrate Union City's diversity.

Disaster preparedness, including wildfire and earthquake, is important to resident's safety. I am the Community Emergency Response Team (CERT) coordinator for Union City, leading the training of residents in disaster response skills.

For my volunteer work in Union City, I was awarded the Community Spirit Award in 2018 by the Chamber of Commerce.

On the council, I will work to expand economic development, create jobs, build more affordable housing and ensure public safety. I'll be a strong advocate for fiscal stability, expanding bicycle and pedestrian paths and improving parks and open space.

I would be honored to have your vote.
