CITY OF UNION CITY
CITY CLERK'S OFFICE

CHUCK KENNEDY

Union City's an amazing community with a great quality of life. Working together, we can keep it that way.

My roots run deep here. My Dad, for whom Kennedy Park is named, was passionate about creating great services for families and kids. I'm a small business owner, Parks & Recreation Commissioner, and public school teacher.

District elections give our neighborhoods and communities a voice. I stand for fairness, fiscal responsibility, and public safety. Challenging economic times require leaders who will bring the community together to protect and maintain our safety and the services we enjoy.

As your District 2 Councilmember, I will:

Improve 911 response, neighborhood foot patrols, and emergency medical services.

Expand senior nutrition and health programs.

Reduce homelessness by improving transitional housing/counseling services.

Strengthen City-School partnerships and expand parks/recreation programs for families.

Reduce traffic and fix aging infrastructure.

I'm honored to be endorsed by Masonic Homes neighbor and Assemblymember Bill Quirk, Supervisor Richard Valle, Mayor Carol Dutra-Vernaci, Councilmembers Emily Duncan and Pat Gacoscos, and public safety leaders because they know I'll build coalitions to deliver the results you deserve.
